Summary

Aspiring Software Developer with strong skills in Java, Android Development, and Full-Stack Web Development. Experienced in building scalable applications, REST APIs, and AI-powered systems using LLMs. Familiar with DevOps practices including Docker and CI/CD pipelines. Passionate about problem-solving, clean architecture, and continuous learning.

Languages: Java, C, Python, JavaScript, SQL, HTML, CSS

Frameworks / Tools: React.js, Node.js, Express.js, Android Studio, Firebase, Git, GitHub, Postman, VS Code, Selenium

Database: MongoDB, MySQL

Backend: REST APIs, CRUD Operations, Authentication (JWT)

Concepts: SDLC, SCRUM, Agile Methodology, Manual & API Testing, Test Case Design, OOPs, DSA, System Design (Basics), LLMs

Projects

- **Color Catch Game** Developed an interactive canvas-based game using HTML, CSS, and JavaScript with animations, event handling, and scoring logic.
- **E-Commerce Web Application** Developed a responsive React.js-based application with component-based architecture and modern UI practices.
- **Bidding System (RFQ-Based Real-Time Auction)** Built a real-time bidding system using React, WebSockets, and MySQL. Implemented JWT-based authentication and designed normalized schema (rfq, bids, auction_config, activity_log). Handled concurrent bids using transactional updates and ensured data consistency.
- **Cafe Management Android App** Designed and developed an Android application using Java and XML for digital menu handling, order processing, and billing system.
- **RAG Chatbot** Implemented an AI-powered chatbot using Retrieval-Augmented Generation (RAG) for context-aware and accurate responses.

Achievements

- Solved 250+ coding problems on LeetCode, HackerRank, and Codeforces
- Research Paper: *Comparative Analysis of Embedding-Based and LLM-Augmented RAG Methods*
- Earned certifications in Java, Web Development, and AWS
- Built and deployed 5+ projects on GitHub

Education

- **B.Tech in Computer Science & Engineering** ABES Engineering College (2022–2026) — **77.34%**
- **Class XII** — Saraswati Vidhyalay, Kanpur Nagar — 73.20%
- **Class X** — Bright Angels Education Center, Kanpur Nagar — 87.60%

Extra / Soft Skills

- Team Leadership, Communication, Problem-Solving, Debugging
- Zonal Volleyball Player
- Currently learning Japanese
